What do I do with large trash and moving boxes?

During your move into your new home, we ask that all boxes, large trash bags, etc. not be placed at the curb until Bulk pick up day.

- The bulk pickup is every **Friday** morning
- These items need to be placed for bulk pickup curbside at the front of your new home
- Per the City, Bulk trash cannot be set at the curb until the day before pickup
- There is no need to schedule bulk pick-up with the City of College Station

When is my regularly scheduled trash & recycle pickup day?

Garbage service is every Friday & recycling is every other Friday. Trash cans & recycle containers must be removed from the street promptly after pickup and stored inside your garage or in a screened area so that they are not visible from the street or adjoining property

Can I have a Satellite Dish Installed on my house?

A homeowner may have one satellite dish. An approved location constitutes satellite installed on the portion of a lot which is not visible from any street, common area, or other lot and preferably:

- Located on the edge of the roof behind the fence line
- Mounted on a pole, below the fence line or otherwise screened by a fence.
- In the rear or side yard of the Lot
